Independent Auditors' Report

To the Board of Directors of
Avondale Meadows Academy, Inc. d/b/a United Schools of Indianapolis

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Avondale Meadows Academy, Inc. d/b/a United Schools of Indianapolis (a network of Indiana public charter schools, USI), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of USI as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America (Government Auditing Standards). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of USI and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about USI's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards, will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of USI's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about USI's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 2, 2025 on our consideration of USI's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of USI's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering USI's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Avondale Meadows Academy, Inc. d/b/a United Schools of Indianapolis (USI) is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. USI (formerly named Challenge Foundation Academy, Inc.) is the organizer of three charter schools located in Indianapolis, Indiana. Each of the schools is a public charter school established under Indiana Code 20-24 and sponsored by the City of Indianapolis Mayor's Office of Education Innovation (OEI). USI's main sources of revenue and support are from state education support and federal funding.

Avondale Meadows Academy (Avondale), which opened in 2006, is a K-5 tuition-free quality public charter school founded on the Core Knowledge curriculum. The core focus is to provide an outstanding education for children equipping them with the knowledge, wisdom, core values, and behaviors to be successful in life. The mission of Avondale is to provide a rigorous and relevant college-preparatory program, grounded in the belief in the ability of every child to succeed at high levels.

Vision Academy at Riverside (Vision), which opened in 2014, is K-8. Vision provides every scholar in its school a college-preparatory education. Vision couples a literacy-based, content-rich academic program with a unique Vision curriculum, focused on goal setting and individual passions. Vision also offers every scholar ample after-school and extra-curricular opportunity as well as a rich array of family involvement opportunities, designed to ensure every scholar has the skills and support to succeed in college and in life.

Avondale Meadows Middle School (AMMS), which opened in July 2017, is a free, public, neighborhood charter school serving grades 6 - 8. AMMS offers a strong Core Knowledge curriculum which complements Indiana's Academic Standards and Common Core Standards. This curriculum is integrated with and supported by enVision Mathematics and Reader's and Writer's Workshop, which is intended to prepare students for college.

There are certain transactions that occur during the normal course of business between Avondale, Vision, AMMS, and USI. These transactions have been eliminated for reporting purposes.

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on an accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, USI considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. There were cash equivalents of \$4,683,839 and \$4,413,427 at June 30, 2025 and 2024, respectively.

(Continued)**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents (Continued)

USI maintains cash in bank deposit accounts which, at times, may exceed federally insured limits. USI believes it is not exposed to any significant credit risk on cash.

Investments and Fair Value Measurements

USI invests in FDIC-insured bank certificates of deposit, which are recorded at cost and totaled \$156,533 at June 30, 2025. The certificate bears interest at a rate of 4.018% and have original maturities of six months, with penalties for early withdrawal. Any penalties with early withdrawal would not have a material effect on the financial statements.

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Investment income and gains and losses on investments are reported in the statements of activities as increases or decreases in net assets without donor restrictions.

Accounting Standards for Fair Value Measurement define fair value as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Those standards also establish a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, giving highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability.

Fair values measured on a recurring basis at June 30 are as follows:

	<u>2025</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Other Observable Inputs (Level 3)</u>
Investments:

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments and Fair Value Measurements (Continued)

	2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Observable Inputs (Level 3)
Investments

Total assets at fair value	<u>\$ 9,533,543</u>	<u>\$ 1,766,440</u>	<u>\$ 7,767,103</u>	<u>\$ -</u>

Following is a description of the valuation methodologies used for assets measured at fair value.

The methods for determining fair value have not changed in fiscal year 2025.

- Corporate and government bonds: Valued based on quoted market prices.
- U.S. treasury bills: Valued based on quoted market prices.
- Beneficial in lead trust: valued at the present value of future payments to be received over the trusts term (Note 3).

The cost of Level 1 investments at June 30, 2025 and 2024 was \$1,681,625 and \$1,713,267 respectively.

Grants Receivable

Grants receivable relate to activities funded under private grants and federal and state programs. Management believes that USI is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary. All grants receivable are due within one year.

Property and Equipment

Purchases of property and equipment greater than \$1,000 that materially increase value or extend useful lives are capitalized and are recorded at cost. Computer purchases exceeding \$300 are recorded at cost and capitalized. Donated property and equipment is recorded at estimated fair market value on the date of contribution. Routine maintenance and repairs and minor replacement costs are charged to expense as incurred.

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment (Continued)

Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method. The estimated useful lives are as follows:

Buildings and improvements	40 years
Furniture and equipment	5 years
Textbooks	4 years
Computers and software	3 years

Leases

USI leases equipment. Management determines if an arrangement is a lease at inception. The operating leases are included as right-of-use (ROU) assets, short-term lease liabilities, and long-term lease liabilities on the statements of financial position.

The ROU asset represents USI's right to use an underlying asset for the lease term and the lease liabilities represent its obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. The operating lease ROU assets also include any lease payments made and exclude lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that USI will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

USI elected the available practical expedients to use a risk-free rate when discounting future lease payments to measure leases at present value on the statement of financial position when the implicit rate is unknown and to account for lease and non-lease components as a single lease component.

In addition, USI elected to not apply the recognition requirements in the lease standard to short-term leases (a lease that at commencement date has a lease term of 12 months or less and does not contain a purchase option that the lessee is reasonably certain to exercise).

Net Assets

USI maintains the following classes of net assets:

- Net assets without donor restrictions – represent net assets that the Board of Directors has discretionary control to use in carrying on the operations of USI in accordance with its articles of incorporation and by-laws. See Note 6.
- Net assets with donor restrictions – represent net assets restricted by the donor, grantor, or other outside party for a specific purpose, time period, or in perpetuity. See Note 7.

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Revenues primarily come from resources provided under the Indiana Charter Schools Act. Under the Act, USI receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized over time in the year in which educational services are rendered.

Contributions and Grants

Unconditional contributions and grants are measured at their fair values and are reported as an increase in net assets in the period they are promised. USI reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

A portion of USI's grants are cost reimbursable which are conditioned upon incurrence of allowable qualifying expenses. These grants are recognized as revenue when USI has incurred expenditures in compliance with specific contract or grant provisions. At June 30, 2025 and 2024, USI had cost reimbursement grants of \$565,007 and \$2,618,308, respectively, that had not been recognized because qualifying expenditures have not yet been incurred.

Advertising

Advertising expenses totaled \$78,815 and \$105,634 for fiscal years 2025 and 2024, respectively. USI's policy is to record advertising expenditures in the period in which they are incurred.

Tax Status

USI is exempt from income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code, however, USI would be subject to tax on income unrelated to its tax-exempt purpose. USI is not considered a private foundation as defined in Section 509(a) of the Internal Revenue Code.

Subsequent Events

USI evaluated subsequent events through December 2, 2025, which is the date these financial statements were available to be issued.

NOTE 2 AVAILABLE RESOURCES AND LIQUIDITY

USI regularly monitors liquidity required to meet its operations and other commitments. USI has various sources of liquid assets at its disposal. Per OEI guidelines, USI is required to have 45 days cash on hand.

AVONDALE MEADOWS ACADEMY INC. D/B/A UNITED SCHOOLS OF INDIANAPOLIS

**Notes to Financial Statements
(Continued)**

NOTE 2 AVAILABLE RESOURCES AND LIQUIDITY (CONTINUED)

For purposes of analyzing resources available to meet general expenditures over 12-month period, USI considers all expenditures related to ongoing activities as well as the supporting operations to be general expenditures.

Financial assets available for general expenditure, within one year, consist of the following at June 30:

	<u>2025</u>	<u>2024</u>
Financial assets at year-end		
Cash and cash equivalents without restriction	\$ 1,581,848	\$ 1,442,441

Financial assets available to meet general expenditures within one year	<u>\$ 2,937,312</u>	<u>\$ 2,874,469</u>

NOTE 3 BENEFICIAL INTEREST IN LEAD TRUST

USI is the beneficiary of an irrevocable charitable lead trust held and administered by an independent trustee. Under the terms of the trust, USI will receive \$500,000 per year for twenty-five years through August 2048. The fair value of the beneficial interest in the trust is estimated based on the present value of the future payments to be received using a Treasury bill rate with a comparable remaining term (4.96% at June 30, 2025). The funds received from the trust are to be used to provide performance-based bonuses to retain high performance staff. USI was notified of the gift in November 2023 and recognized a contribution with donor restrictions of \$7,767,103 in the statement of activities for the year ended June 30, 2024.

For the year ended June 30, 2025, USI recognized contribution revenue of \$336,014 for the accretion of the discount related to present value of the future payments. The asset balance was \$7,603,117 and \$7,763,103 as of June 30, 2025 and 2024, respectively.

NOTE 4 LONG-TERM DEBT

Long-term debt consisted of the following as of June 30:

	2025	2024
2017 Series Bonds	\$ 19,320,000	\$ 19,720,000
Less: current portion	(425,000)	(400,000)
Less: unamortized discount on 2017 series bonds	(364,255)	(380,813)
Less: deferred loan costs	(211,227)	(220,828)
Long-term, net	\$ 18,319,518	\$ 18,718,359

In June 2018, USI obtained financing for the purpose of refinancing the previously existing Series 2013 bonds, paying off a development lease arrangement, and constructing a new building for AMMS through the sale of Educational Facilities Multipurpose Revenue Bonds, Series 2017, issued by the Indiana Finance Authority. The Series 2017 bonds are payable in a series of escalating payments of principal and interest beginning in July 2019 and January 2018, respectively, with the final payment due in July 2047. The bonds have an interest rate beginning at 5.0% and rising to 5.375% by July 2038. The bonds are secured by land, buildings, and other business assets.

The Series 2017 bonds require the establishment of a debt reserve fund of \$1,442,968 that will assist with final payment of the bonds. A bond escrow account with a balance of \$1,176,158 and \$1,072,640 at June 30, 2025 and 2024, respectively, was also established in conjunction with the Series 2017 bond agreement to secure against defeasance on the bonds. Pursuant to the bond agreement in fiscal year 2022, USI created a repairs and replacement reserve to assist with future building improvements, additions, and repairs. The balance of the repairs and replacement reserve was \$375,891 and \$281,682 at June 30, 2025 and 2024, respectively. These accounts are reported as cash restricted for bond redemption in the statements of financial position.

The loan agreements contain certain covenants that limit USI's ability to incur indebtedness or guarantees, purchase or dispose of assets, or change the nature of the business. The agreement also contains financial maintenance covenants establishing a minimum debt service coverage ratio and days cash on hand requirement.

Costs associated with securing financing, have been deferred and are being amortized over the term of the bonds using the straight-line method.

Future maturities of long-term debt at June 30 are as follows:

2026	\$ 425,000
2027	445,000
2028	465,000
2029	490,000
2030	515,000

NOTE 8 RETIREMENT PLANS

USI provides retirement benefits covering substantially all full-time employees. Retirement benefits for teaching personnel are provided by the Indiana State Teachers' Retirement Fund ("TRF"), which is a cost-sharing multiple-employer defined benefit retirement plan governed by the State of Indiana and administered by the Indiana Public Retirement System ("INPRS") Board. Contribution requirements of plan members are determined annually by the INPRS Board. USI contributed 6.5% of compensation for teaching faculty to TRF related to fiscal year 2025 and 2024, respectively. Should USI elect to withdraw from TRF, USI could be subject to a withdrawal fee. USI's contributions represent an insignificant percentage of the total contributions received by TRF.

As of June 30, 2024 (the latest year reported), TRF was 85.3% funded. A copy of the complete annual report for the year ended June 30, 2024, can be obtained at:

NOTE 8 RETIREMENT PLANS (CONTINUED)

USI also offers a 403(b) defined contribution retirement plan. Non-teaching personnel and teachers who opt to not participate in TRF are eligible for benefits under the 403(b) plan. Under the 403(b) plan, USI contributed 6.0% of employee's compensation for fiscal years 2025 and 2024, respectively.

For fiscal years 2025 and 2024, retirement plan expense under both plans was \$467,157 and \$393,516, respectively.

NOTE 9 RISKS AND UNCERTAINTIES

USI provides education services to families residing in Marion County and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect USI. Additionally, USI is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on USI.

Notes to the Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2025

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of USI under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of USI, it is not intended to and does not present the financial position, changes in net assets, or cash flows of USI.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

USI has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance except for federal awards granted by the U.S. Department of Education. The U.S. Department of Education requires a de minimis indirect cost rate of 8-percent.

NOTE 4 SUBRECIPIENTS

USI did not provide any federal awards to subrecipients.

**Report on Internal Control over Financial Reporting and
on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors of
Avondale Meadows Academy, Inc.
d/b/a United Schools of Indianapolis

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America (Government Auditing Standards), the financial statements of Avondale Meadows Academy, Inc. d/b/a United Schools of Indianapolis (USI), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated December 2, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered USI's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of USI's internal control. Accordingly, we do not express an opinion on the effectiveness of USI's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of USI's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether USI's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Report on Internal Control over Financial Reporting and
on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with *Government Auditing Standards*
(Continued)**

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of USI's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering USI's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report On Compliance For Each Major Federal Program
And On Internal Control Over Compliance Required by the Uniform Guidance**

To the Board of Directors of
Avondale Meadows Academy, Inc.
d/b/a United Schools of Indianapolis

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Avondale Meadows Academy, Inc. d/b/a United Schools of Indianapolis' (USI) compliance with the types of compliance requirements identified as subject to audit in in the *OMB Compliance Supplement* that could have a direct and material effect on each of USI's major federal programs for the year ended June 30, 2025. USI's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, USI complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America (Government Auditing Standards); and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of USI and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of USI's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to USI's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on USI's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about USI's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding USI's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of USI's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of USI's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

**Report On Compliance For Each Major Federal Program
And On Internal Control Over Compliance Required by the Uniform Guidance
(Continued)**

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
