## **ACKNOWLEDGMENT OF COMPLIANCE WITH INDIANA CODE 35-44.1-1**

United Schools of Indianapolis, including Avondale Meadows Academy, Avondale Meadows Middle School, and Vision Academy Riverside (collectively, the “Schools”), acknowledges and affirms its commitment to conducting all operations, governance activities, financial transactions, procurement practices, employment decisions, and administrative functions in accordance with applicable federal, state, and local laws.

The Schools further acknowledge the provisions of Indiana Code 35-44.1-1 concerning offenses against public administration and ethics, including but not limited to Official Misconduct (IC 35-44.1-1-1), Bribery (IC 35-44.1-1-2), Ghost Employment (IC 35-44.1-1-3), Conflict of Interest (IC 35-44.1-1-4), and Profiteering from Public Service (IC 35-44.1-1-5).

To the best of the Schools' knowledge, information, and belief, after reasonable review of their policies, procedures, and operations, the Schools are not knowingly engaging in, authorizing, facilitating, or condoning any conduct that would constitute a violation of Indiana Code 35-44.1-1. The Schools maintain policies and internal controls designed to promote ethical conduct, fiscal accountability, transparency, compliance with applicable conflict-of-interest requirements, and the proper stewardship of public resources.

The Schools expect all directors, officers, employees, contractors, agents, and representatives to comply with applicable laws and ethical standards and to report any suspected violations through appropriate reporting channels. Upon becoming aware of any potential noncompliance, the Schools commit to investigating the matter promptly and taking appropriate corrective action as warranted.

This acknowledgment is intended as a statement of the Schools' commitment to legal and ethical compliance and shall not be construed as a legal opinion, guarantee, or adjudication regarding any specific factual circumstance.
